

Wade Shaw

Dedicated ocean sportsman for more than 23 years. who loves the ocean and has a passion for youngsters who should ideally learn to and be able make use of their surroundings, learning to respect and love the ocean. Also, a previously qualified lifeguard and part of a team who re-built the MBSLC Nipper and club activities 2016-2019.

I am previous Director of a Tech company and currently self-employed person in the financial service sector, I have many years of corporate responsibility, finance, investment and marketing management experience. Major local and international Companies I have worked for include Afrox ,Reco,-Tecs The AA, Toyota, MA Automotive, Old Mutual, SANDF and Sanlam. I hold a post-graduate in Marketing Management and I am busy with a post-graduate financial and fin law degree through UFS.

During my past 23 years in the Southern-Cape I have built an extensive local and national relationship footprint. I have a love for the services offered by Lifesaving SA and would be honoured to again serve the local community through lifesaving at club level. I have served on a committee before and currently serve on the Governing Body of a local high school.

Thank you for considering me as part of the MBSLC team.
